

# CPAPology<sup>®</sup>

**A Brand Focused on Improving Your Sleep Experience**

## CPAPology® is a Brand Focused on Improving Your Sleep Experience

Let us guide you to a better sleep! CPAPology® is a brand focused on improving your sleep experience through a variety of CPAP accessories and anti-snore solutions.

CPAPology® was formed on the principle of designing innovative and cost-effective products that complement and enhance your CPAP Therapy. Our products are always designed with the CPAP user in mind so that comfort and functionality is in the DNA of every product we offer. We want to ensure you have a satisfying and refreshing sleep each night.

By accomplishing this, we hope to help you reap all the benefits that CPAP provides!

CPAPology® products are also all packaged in attractive retail packaging, making it easy to create an effective and eye-catching display.

 **CPAPology®**

## Problem? We have the solution!

**Problem:** Do you get tangled in your CPAP tubing at night?

**Solution:** CPAPology® offers every CPAP user the opportunity to avoid frustrating nights of tangled tubing. With a variety of innovative options, we offer tubing support for multiple surfaces and environments.

**RAPTOR™ FLEX™**  
**Houdini™ JACK™**

**Problem:** Do you experience rainout from you hose?

**Solution:** Joey™ Hose Cover. Soft brushed cotton material insulates hose, increasing user comfort.

**joey™**

**Problem:** Are you snoring on your back?

**Solution:** Sleep Noodle™ the positional sleep aid. is a simpler & more natural anti-snore solution that helps prevent rolling on your back.

**Sleep Noodle®**

**Problem:** Do you experience water spills, vibration and night stand scratches caused by your CPAP machine?

**Solution:** Black Knight™ non-slip silicone mat helps to keep your CPAP machine in place. Absorbs heat & vibration, and guards against water spills.

Raptor™	CY-K8430	663427404303	663427454308

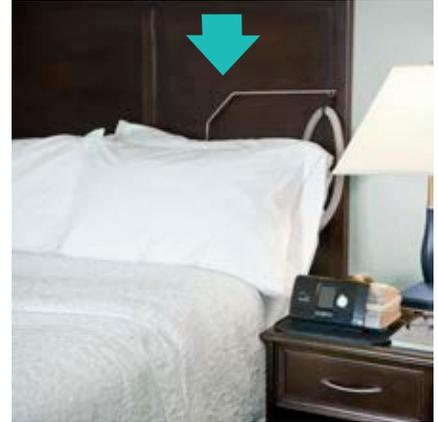

# Houdini™

## Hose Support System

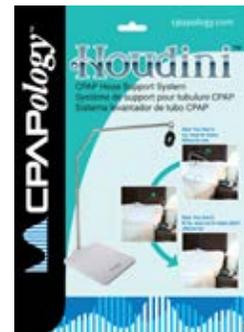

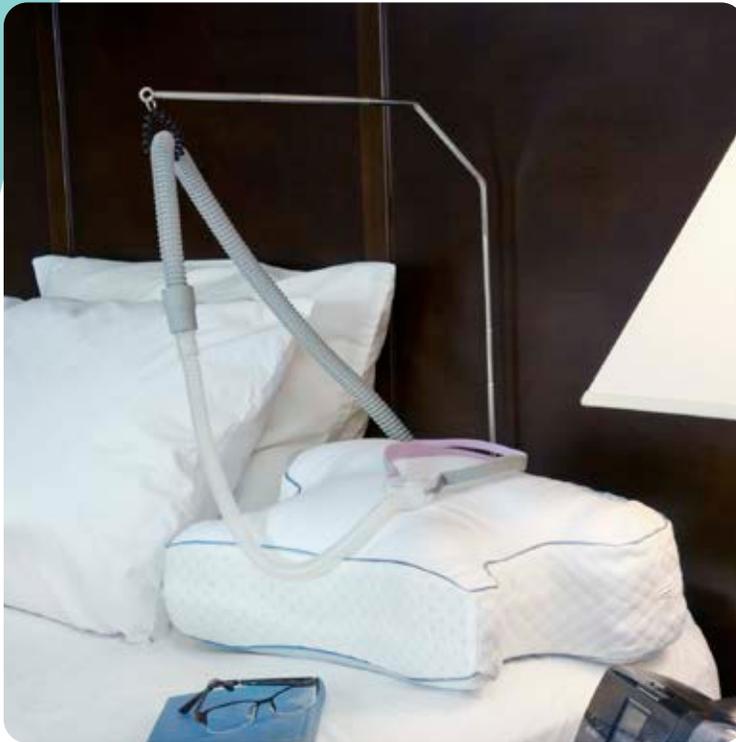

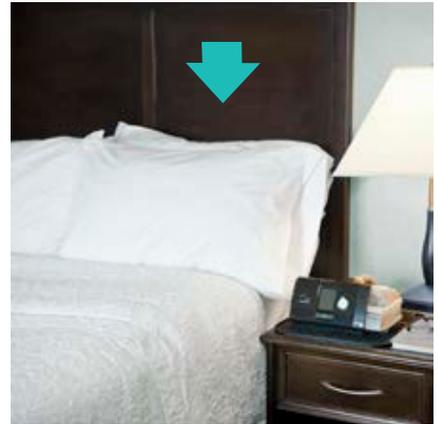

The Houdini CPAP Hose Support System offers a CPAP user the ability to support their hose and mask from above the bed while using their CPAP device, allowing the freedom to move from side to side without restriction. The Houdini's innovative telescopic pole allows the user to retract the pole downward, hence disappearing behind the pillow during non-use.
