KEGO

TERMS AND CONDITIONS

Satisfaction Guarantee

Your business is very important to the KEGO family. A satisfied customer is a repeat customer, and the KEGO team will work hard at building our business relationship so you keep coming back. If you are dissatisfied with your order, or our service, please do not hesitate to call us and let us know. We will do our best to make it right.

Shipping and Handling

Most orders are packed and shipped the same business day as order placed. We will do our best to maintain sufficient inventory levels to avoid backorders.

Default shipping Methods:

UPS Ground

Other shipping options are available upon customer's request. All orders are F.O.B. origin, with shipping cost billed to customer on invoice.

Payment Terms

Payment terms are net 30 days with approved credit. Until credit has been established, KEGO reserves the right to request a credit card as guarantee of payment. Orders paid after due date may be subject to finance charges. For those customers who prefer to pay by credit card, we do accept Visa, Mastercard, Discover (US only) and American Express. Credit card charges will be assessed when your order is shipped.

Return Policy

Shipping and handling, and hazmat fees are nonrefundable.

To return an item, you must receive prior authorization from KEGO, and obtain a Return Goods Authorization Number (RGA#). All returned items are subject to a restocking fee. With exception to items returned under manufacturers warranty, requests to return items after thirty days will be subject to managerial approval, and will be charged a minimum 15% restocking fee. In most cases, credit will be issued on account to be used against future purchases. Items must be returned within seven days of RGA date, or no credit will be issued.

Liability

KEGO cannot be held liable for damages resulting from the use of products it distributes. Use and application of the products is the responsibility of the user.

Pricing

KEGO pricing can be found at www.kegodiagnostics.com
Prices listed are $U.S.

Product Information

We do our best to ensure our item numbers, descriptions, and images are correct. Please contact KEGO customer service if you find errors in our catalog or website.

Product Availability

Some products in our catalog may be special order items.

DIAGNOSTICSOLUTIONS
KEGO is "Your Source" for EMG Guidance Systems

Intronix Myoguide
Needle EMG Guided Injection System

The Myoguide system is designed to amplify EMG signals from muscle and provide audio feedback to assist clinicians in locating areas of muscle activity. Clinicians can see and hear EMG activity. Treatment delivery can be in the form of neuromodulator injections.

AM-900255/E

Key Features

- Integrated Display: EMG signal display; Integrated EMG bar graph; Device status toolbar; Backlight
- High Fidelity Audio: "Audio Mute" feature
- Powerful Stimulator: 0-20 ma; Selectable pulse widths (50-500uS); Selectable frequencies (1-10Hz); "Stimulation Pause feature 0-20mA stimulator with pause feature
- Handheld Myoguide is battery operated, easy to use, small and portable, and integrates convenient features

Key Benefits

- Small and portable and enables the user to easily increase treatment efficacy and reduce side effects
- Integrated design provides all the tools available in one handheld package: EMG signal; iEMG; EMG RMS; EMG audio; Stimulator
- Enables clinicians to see and hear, as well as identify involved muscles before any drug is injected
- Facilitates better injection site selection thereby increasing accuracy and clinical results
